

Culture Typology Reflection Sheet

This reflection activity can be completed independently by each participant or collaboratively by a group. Or, it can be completed independently and then collaboratively as a group. Your facilitator will provide the directions for this task.

School: _____

Date: _____

Primary Types and Point Value:

_____ () _____ () _____ ()
(Most Points) (Second Most Points) (Third Most Points)

Why do you believe your school has this type of culture? (Don't use the statements on the activity, but rather identify the reasons why your school's culture is the way it is.)

-
-
-
-
-

What are some starting strategies that could be implemented to move our school toward a more collaborative culture?

-
-
-
-

What is the first step your school should take to begin to move toward a more collaborative culture?
